Friday 16th October

Dear supporter,

2020 has seen a seismic shift in the anti-racism cause. Now is the time to use this momentum to push for lasting change.

At Show Racism the Red Card, our vision is to achieve a world where people's lives are no longer ruined by racism.

We change minds and we change lives.

Welcome to the team.

We've seen the world through a different lens.
We've taken the knee.
Now for the next step.

Stand Up. **Stand With Us.** Stand Strong.
