# What are we doing?

- We are embarking on a new reading journey whereby we are trying to provide our children with a rich and exciting reading environment. Reading truly is the key to the whole curriculum and we want to ensure our children have the best opportunities possible.
- We have invested in a new phonics scheme 'Little Wandle' which we are currently training staff in. This new scheme has required an investment in new reading books specifically linked to the phonics phase your child may be in.
- We have begun the process of renovating our school library so that we can utilise the space to it's full potential. We want to ensure that children have access to high quality books in each class so that we can nurture and grow their love for reading. We want to be able to purchase a new set of reading books and a set of diverse/inclusive books for each class.
