The Governing Body shall conduct the School with a view to promoting high standards of educational achievement.

St Bernadette Catholic Primary School is committed to eliminating discrimination, advancing equality of opportunity and fostering good relations between different groups. These factors were considered in the formation and review of this policy and will be adhered to in its implementation and application across the whole school community.

The School will promote the Gospel values together with the values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. Staff and governors will actively challenge pupils, colleagues or parents expressing opinions contrary to fundamental British Values, including ‘extremist’ views.

## **Policy for the Education of Children Looked After (CLA) by Hertfordshire and Previously Looked After Children (PLA)**

### **Policy Objective:**

To promote the educational achievement and welfare of Children Looked After (CLA) and Children Previously Looked After (PLA) on the roll of this school

### **Name of the Designated Teacher for CLA and PLA**

Madeleine Walsh

### **Name of the Designated School Governor for CLA and PLA**

Jane Williams

At **St Bernadette Catholic Primary** School we will ensure that children looked after (CLA) and children previously looked after (PLA) have access to excellent educational provision and are prioritised for additional support through school-based interventions to achieve as well as possible, in accordance with the '*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28<sup>th</sup> February 2018.*

We recognise that our school plays a vital role in providing a stable base for CLA and in promoting their academic, social and emotional development. We promote whole school staff training in their specific needs, so that all adults at this school are sensitive to the barriers to learning that CLA experience and feel able to support the children discretely and confidentially, as needs arise. We understand the need to work in a 'relationship-based' way so that children looked after and previously looked after feel valued and a part of our school community.

Our aim is to champion the needs of CLA to ensure they make rapid educational and social progress during their period in care on the roll of this school.

### **Our Aims for CLA:**

- to provide a safe and secure environment where educational progress and stability is always central to the planning and all adults understand the specific needs of CLA and PLA
- to narrow the gap between the attainment of CLA and PLA and their peers, ensuring **accelerated** and **rapid** progress
- that they benefit from school-based interventions, even if they do not meet the criteria for that intervention (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-*

*after children. 28th February 2018)* and to use the allocated Pupil Premium *Plus* (PP+) to ensure effective impact

- for all CLA to have at least termly Personal Education Planning (ePEP) meetings each academic year and for the joint planning and quality first teaching to have measurable impact on each child's learning on a daily basis, *(DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018)*
- for all adults to provide sensitive, child-led support, adopting a relationship based approach and with at least one key adult with whom the child or young person has a trusted relationship and who will act as an advocate for them and take a special interest in their progress in all school activities.
- that school systems facilitate discrete support, that includes a strong relationship between schools staff, carers and children looked after on roll.
- CLA will be advantaged within school policies and procedures, with their needs explicitly considered and provided for *(DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018.)*
- Our Behaviour Policy maintains clear boundaries and expectations about behaviour but we understand that not all behaviour is a matter of choice. We will not enforce sanctions that shame and ostracise children looked after from their peers, school, community or family. In this school we seek to create an inclusive and positive school ethos for every pupil.
- **Links to other relevant school policies that reference CLA and PLA may be found on school website.**
- CLA and PLA and their families will feel part of the school community; they will be actively welcomed, involved and engaged into this school community *(DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018).*

## **Educational Planning for Children Looked After**

### **Personal Education Plans (ePEP) and CLA Self Evaluation Forms (CLASEF):**

The school will ensure that every CLA on roll has a Personal Education Planning (ePEP) meeting that is reviewed termly, within the statutory care planning framework, and in collaboration with the social worker, carer and other relevant professionals. In any one school year there will be at least 3 PEP meetings for each CLA, The school will complete the all sections of the CLASEF to share our plan for improvement and development in school for disadvantaged children and also to inform the Hertfordshire Virtual School of the school's policy and practice, to account for the efficient and effective spend of the PP+ funding and to inform the school Governing Body as the annual report.

### **Roles and Responsibilities:**

**The Headteacher and Governing Body** are committed to promoting improved educational life chances for CLA and PLA. They will ensure that the Designated

Teacher for Children Looked After has qualified teacher status, appropriate seniority in the leadership team and time and experience to fulfil this statutory role and have at least 2 days per year training to remain fully informed.. They will monitor the role of the Designated Teacher to ensure that all CLA and PLA make accelerated and rapid progress and that the whole school staff receive appropriate training.

- providing accurate information and data when asked by the Designated Teacher
- referring to the Designated Teacher for advice
- playing their part in creating an attachment and trauma-informed 'CLA-friendly' culture and securing rapid progress for CLA by ensuring that they benefit from any additional school-based support available

## **Attendance:**

**School attendance procedures** reflect the specific needs of CLA and PLA to ensure good school attendance. Where there is a concern about attendance or punctuality the school will contact the carer, social worker and other professionals including the Virtual School, as an early intervention, as outlined in our attendance policy.

## **Admissions/ Transitions:**

### **School procedures to support CLA during admission and transition include:**

- prioritising CLA and PLA at the point of admission
- the swift transfer of information between schools that may include school visits and at times of transition, teaching at the previous school
- early identification of staff mentor and peer buddy
- additional support and planning for CLA and PLA at times of transition
- structured activities to 'say goodbye', in recognition of the impact of broken attachments and loss

## **Additional Educational Needs:**

### **All staff will work creatively to secure accelerated and rapid progress for CLA and PLA with additional educational needs by:**

- having high expectations
- ensuring that they are prioritised for additional school-based support, even if they do not meet the criteria (*in line with the DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).
- ensuring that planning is coordinated, appropriate interventions identified and teaching to the plan is systematic; ensuring that any work undertaken by non-teaching staff has teacher over-sight (*in line with the Lamb Report, Dec '09*)
- ensuring that progress is regularly monitored and reviewed, against the targets set as agreed in the termly Virtual School visit, ePEP and CLASEF

## **Special Educational Needs:**

### **All staff will work creatively to secure accelerated and rapid progress for CLA who have special educational needs by:**

- having high expectation of progress each academic year (*in line with the expectation set out in the ePEP and CLA-SEF*)
- ensuring that they are accessing school-based targeted support which is 'additional to and different from' the universal and additional needs provision (*in line with the SEN Code of Practice*)
- ensuring that all plans are coordinated, appropriate interventions identified, and teaching to the plan is systematic
- ensuring that progress is regularly monitored and reviewed, in line with the SEN Code of Practice

- ensuring that any work undertaken by non-teaching staff has teacher over-sight
- that with the school SENCO the EHCP review is held in a timely way with all relevant professionals invited and their views obtained.

### **Safeguarding:**

**School staff will be vigilant for any safeguarding issues which can impact particularly on CLA by:** familiarising themselves with the '*School Policy Guidance for Children in Care*' and following the school's child protection policy and the '*DfE: Keeping Children Safe in Education*' (All staff) June 2019, if there are any safeguarding concerns.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

### **Alternative Provision:**

**We will make every effort to ensure that any arrangements for provision alternative to daily attendance at school will be:**

- a plan that will retain the CLA on the roll of the school or clarify in writing which educational establishment will be responsible for essential reporting and accountable for the PP+
- an agreed part of the overall ePEP for the student
- full time (25 hours) or contribute to full time attendance and be of high quality
- meet the educational needs of the CLA or PLA
- will provide the opportunity to make rapid progress in the course of study provided by the setting
- will be monitored regularly and that ePEPs will include the school and the alternative provider

### **Exclusion:**

- We have reviewed the school behaviour policy September 2018 in line with the statutory guidance published in February 2018 (*DfE Designated teacher for looked-after and previously looked-after children Statutory guidance for local-authority-maintained schools carrying out duties for looked-after and previously looked-after children. 28th February 2018*).
- We will make every effort to avoid excluding a CLA, in recognition of the increased risk this poses in terms of them quickly disengaging from the school, due to their early experience of broken attachments and loss. Before acting, we will discuss the rationale for exclusion with the assigned Education Adviser from the Virtual School.
- If there is no option other than exclusion, then we will make every attempt to reduce the number of days of the exclusion.
- We will use the following methods to avoid excluding a children looked after or previously looked after; organise a meeting with carers, social workers, virtual school, any outside agency working with pupil and SLT to look at needs and plan to meet the new / changes in behaviours. Apply ARC methods to support with attachment and trauma. Refer onto specialised agencies such as

CAMHs, Safe Space, The Links etc. Changes in use of support staff to support pupil and hourly/ session/ daily monitoring to review situation with follow up review meetings. Ensuring that pupil voice is heard and part of the plan.

- School procedures are in place to reduce the risk of exclusion of CLA and PLA. CLA and PLA with special educational needs should have exclusion as a behaviour management action as a last possible resort (*Regulation 4(1)(c) of the Equalities Act 2010 which means that a head teacher could only lawfully exclude a child for a reason relating to their disability, even a disability that results in the child having a tendency to physical abuse, if reasonable adjustments have been made*).

### **Multi-Agency Working:**

- **School staff will make every effort to** develop positive professional relationships with colleagues from other agencies and facilitate their work. This will enable colleagues to successfully perform their roles and positively impact on the education and wider needs of CLA and PLA.

**The Headteacher, Designated Teacher and Governing Body will ensure that all staff are briefed on the Statutory Guidance and practice outlined in this policy.**
